

qube

Simplicity redefined.

Bathroom Perfection

A mirror cabinet with a black frame and a black light fixture above it. The mirror reflects a window with a view of a car. To the right of the mirror is an open shelving unit containing a white jar labeled 'seadema C-VIT' and a tube labeled 'HAIR TECHNIQUE LONDON'.

A white vanity cabinet with a black horizontal bar across the front. On top of the cabinet is a white rectangular sink with a black faucet and a black soap dispenser. To the right of the cabinet is an open shelving unit containing a white jar labeled 'seadema C-VIT' and a tube labeled 'HAIR TECHNIQUE LONDON'.

A black towel rack with a white towel and a yellow towel hanging on it.

A potted plant with large green leaves.

Why Utopia?

British Bathroom Perfection

For more than three decades we've been committed to providing the very best bathroom solutions possible. Through creative design, tireless research and development and continued investment in the very latest manufacturing processes, we're confident that a Utopia bathroom really does symbolise British made Bathroom Perfection.

Since 1989 our ethos has always remained the same; to offer creative and inspiring bathroom solutions, designed and manufactured here in the UK to the very highest specifications.

With an emphasis on style, our ranges have always led the way in British bathroom design.

Introducing Qube

A beautiful wall mounted and freestanding bathroom collection from the UK's leading bathroom furniture manufacturer. The Qube collection from Utopia comprises a sleek and stylish range of bathroom furniture and those all important finishing touches so you can create your own little piece of bathroom heaven.

Whether it's a wall mounted or freestanding feel you are looking for, there is plenty of choice and as it's all manufactured here in the UK you can be assured of the quality and service every time.

Space saving solutions

Short on space, but still want a larger feature washbasin? Our reduced depth washbasin units are just as stylish and versatile as our standard depth range, but are only 390mm deep. There's even a compact 500mm wide option.

Mix, match and create

The Qube collection of furniture allows you to create the bathroom of your choice through the array of products available and the flexibility it provides.

Mix and match finishes from the five available. Choose either the look of an integrated basin or instead opt for a worktop with a sit on basin, or add on an extra open shelf unit to your wall mounted options and create a look unique to you. The options are endless.

Wonderful washbasins

Choose either a slimline ceramic slabtop washbasin or opt for a stylish sit on basin with a worktop, available in round or square, allowing you to design your Qube bathroom your way.

Qube Furniture

Offers a selection of wall mounted and freestanding furniture for a smart, contemporary feel.

Wall Mounted

Wall mounted units

Creating your Qube bathroom

Qube is the very essence of simplicity. Follow our simple guide and create your perfect bathroom using a choice of wall mounted or freestanding configurations.

1. Which configuration?

Decide whether you want wall mounted or freestanding units and then choose between reduced or standard depth units, depending on whether or not space is at a premium, or you need to accommodate existing pipework.

Wall Mounted

Freestanding

2. Customise your basin and worktop option

Now decide if you would like a ceramic slimline basin (as shown in step 1), or would you prefer a square or round sit on basin with a worktop beneath?

200mm Open Shelf unit add on, choose either a matching or contrasting finish

3. Choose your finishes

There are five furniture finishes to choose from and two handle trim options.

White Gloss

Pebble Grey Gloss

Anthracite Strata

Nordic Oak

Sorrento Walnut

Chrome Handle Trim

Matt Black Handle Trim

4. Mirrors & Mirror Cabinets

With a selection of mirrors and mirror cabinets at your fingertips, you can complete the overall look of your bathroom. Remember, choosing a mirror cabinet rather than a mirror will give you even more storage space.

5. Brassware

Choose from two stunning contemporary brassware ranges, Razo or Divine, both available in a choice of Chrome or Matt Black to coordinate with your handle trim.

Divine

Razo

6. Finishing Touches

Finally, consider those all important finishing details – from coordinating toilet units, tall storage units, bath panels to lighting options.

Make Qube your own

Experiment with different configurations until you find the perfect style for your bathroom.

Below are just a few examples of configurations and sizes available

1400mm twin round basin standard run*
with two round sit on basins

590mm + 200mm + 590mm
800mm washbasin unit also available

1600mm large storage standard run*
with two square sit on basins.

200mm + 590mm + 590mm + 200mm
500 and 800mm washbasin units also available

*Sizes are for guide only and design inspiration, refer to the specification section for further details.

**Note overall dimensions given include worktop.

Qube Wall Mounted

White Gloss with a Matt Black Handle Trim

Where space is tight, opting for a reduced depth washbasin unit is a brilliant solution without losing any visual impact or precious storage. White Gloss is always a winner for giving an illusion of spaciousness and it's a particularly stylish choice teamed with a smart Matt Black tap and handle trim.

~ Key features ~

Matt Black Handle Trim

Two 600mm Double Drawer units in Anthracite Strata, with two Square Sit on Washbasins, Sit on Square Deck Mounted Basin and a Laminate Worktop in White Gloss*

Qube Wall Mounted

Anthracite Strata with a Chrome Handle Trim

Twin washbasin units are the perfect solution for a busy family bathroom, high impact with double the storage space.

~ Key features ~

Chrome Handle Trim

Wall Mounted Double Drawer Washbasin Units

Contemporary Sit on Ceramic Square Washbasins (Round also available)

Coordinating Anthracite Strata Worktop

Mirror cabinet features internal shaver socket and overhead coordinating Chrome LED lighting

Optional coordinating Anthracite Strata Wall Open Shelf Units

Divine Chrome Basin Mixer

Intricate and understated; Anthracite Strata has a hint of metallic sheen beneath the grain.

Wall Mounted Cloakroom

A smaller 400mm wide washbasin unit, featuring a sleek and minimal Mineralcast washbasin.

The Qube Cloakroom Washbasin unit offers handy and stylish storage for the smallest bathroom.

The Qube Mineralcast Cloakroom basin features stunning clean angles and precisely engineered edges. Shown left with Matt Black brassware and handle trim, and above with Chrome.

Freestanding Cloakroom

A compact and versatile solution for a tiny space, a Qube Cloakroom exudes style.

With clever space saving solutions, even the smallest cloakroom can be imaginatively and expertly planned, resulting in a small yet stylish addition to your home.

Compact Contrasts

Every bit as versatile as larger Qube washbasin units, our Cloakroom units are available as Wall Mounted or Freestanding, in any Qube finish and with a choice of Matt Black or Chrome Handle Trim.

Freestanding 400mm wide Cloakroom unit in Anthracite Strata with a Chrome Handle Trim

Wall Mounted 400mm wide Cloakroom unit in Nordic Oak with a Matt Black Handle Trim

The stylish short projection Matese Back-To-Wall toilet only projects 505mm from the unit - the ideal choice for a smaller space.

Qube Freestanding

Anthracite Strata with a Chrome Handle Trim

An ingenious solution for a tricky space, this bathroom uses freestanding pieces to create an illusion of space in between the units and an exciting mix of textures and patterns for visual impact.

~ Key features ~

Chrome Handle Trim
Freestanding Double Door Washbasin Unit
Ceramic Modular Slimline Washbasin
Mirror cabinet
Divine Chrome Basin Mixer
Matese Space Saving back-to-wall toilet

Freestanding freedom

Choose your Qube Freestanding Washbasin unit in any Qube finish, and combine it with your choice of handle trim and brassware to create your own bathroom centrepiece. Let your imagination run wild!

Pebble Grey Gloss with a Chrome Handle Trim

White Gloss with a Matt Black Handle Trim

Sorrento Walnut with a Chrome Handle Trim

Nordic Oak with a Matt Black Handle Trim

Qube Freestanding

Sorrento Walnut with a Chrome Handle Trim

The contrast of the warm tones of Sorrento Walnut with the smart chrome handle trim gives this bathroom a contemporary twist. Plenty of concealed shelving and drawer space will ensure it's also practical and easy to maintain.

Sorrento Walnut has a wonderful richness and depth of tone.

~ Key range features ~

- Chrome Handle Trim
- Freestanding Double Drawer Washbasin Unit
- Ceramic Modular Slimline Washbasin
- Illuminated Mirror
- Razo Chrome Basin Mixer
- Matese Short Projection Back-To-Wall Toilet

Qube Terms and Conditions

TERMS AND CONDITIONS

We hope you found our brochure inspirational and informative. We make every effort to display colours accurately, but cannot guarantee an absolute match on our website and in our printed material so you may find that products vary slightly in colour. Many of our products are made to order, meaning that some of our product sizes and measurements indicated in our promotional material may be subject to slight variation and we'd ask you to plan accordingly.

SAMPLE SERVICE

You will find displays of our furniture styles, colour samples of finishes, worktops and tiles are available to view at over 600 Utopia specialist retailers across the UK. To find your nearest showroom visit our website. We also offer a free online sample service where you can order your preferred colours of finishes and worktops from our website to review in the comfort of your home.

GENERAL GUARANTEE TERMS

All Utopia products are designed and manufactured to comply with or exceed accepted industry standards and tolerances. In the unlikely event that a product fails to meet our high expectations it will be replaced free of charge. Any product deemed to fall within accepted standards and tolerances will be subject to a replacement fee.

GENERAL GUARANTEE:

1. Applies when:
 - 1.1 Products are installed correctly in accordance with our fitting instructions and are for domestic use in a room with suitable ventilation; we highly recommend the use of an extraction fan.
 - 1.2 Cisterns and taps are fitted in accordance with current local and national water regulations;
 - 1.3 Furniture is not used in a wet room environment or in frequent direct contact with water.
2. In the event of a product failure within the guarantee period (from the date of purchase) Utopia will supply a free of charge replacement for the failed item. If that part is no longer available, a nearest equivalent replacement will be supplied. Our guarantee is limited to the products supplied and does not cover any associated installation costs, consequential loss or damage claims.
3. The terms of this guarantee do not affect consumer statutory rights.
4. Any guarantee is limited to the original purchaser, is non-transferable and does not cover the purchase of ex-display items.
5. To obtain replacement parts in accordance with the terms of this guarantee, please contact the retailer who supplied the products.
6. Product guarantees may be invalidated through incorrect care and maintenance procedures. These are contained in the original product packaging and are also available from our Customer Services team.
7. All electrical installations must be carried out by a suitably qualified electrician. Your guarantee does not cover products incorrectly installed.

BATHROOM FURNITURE

Utopia furniture has been specifically designed and manufactured for performance in general bathroom use and carries a 5 year guarantee. All bathroom furniture will deteriorate through prolonged periods of exposure to high levels of condensation so bathrooms must be adequately ventilated using suitable extraction to avoid this. Failure to ensure adequate ventilation may invalidate your guarantee. Bathroom furniture is not specified or designed for use in areas of regular or direct contact with water, particularly in wet room environments or where direct and/or regular water contact is prevalent. Any guarantee does not extend to this use. In respect of furniture containing electrical components, these items are unsuitable for zones 0, 1 & 2 installations. If you are in any doubt, please consult a qualified electrician. Please refer to individual product pages within the Utopia price list for IP rating information or bathroom zone suitability.

CARCASS MATERIAL

Many of our finishes are intended to replicate natural materials such as wood and stone where pattern and shade variation are distinct parts of the design.

MINERALCAST PRODUCTS

Mineralcast products carry a 5 year guarantee and are supplied with a 2% dimensional tolerance.

SANITARYWARE

Utopia sanitaryware carries a lifetime guarantee against manufacturing defects and is supplied with a 2% dimensional tolerance. Installation must be in accordance with the instructions provided and failure to comply with these may invalidate the guarantee.

TOILET SEATS

A 2 year guarantee applies to all toilet seats and related components. It is the responsibility of the consumer to ensure that suitable cleaning products are used. Do not use abrasive cleaning products or cleaning products that contain chlorine or acids, as these may cause yellowing or peeling of the material. After cleaning, wipe the seat with a well wrung out cloth. Leave the seat and lid up whenever strong cleaning products are left in the bowl of the WC pan to prevent damage from vapours.

CONCEALED CISTERNS

Concealed cisterns carry a 5 year guarantee against manufacturing defects. It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided.

BRASSWARE

Brassware products are either suitable for high or low pressure, some are suitable for both so please refer to the product description for further information. Brassware carries a 10 year guarantee on brassware and a 5 year guarantee on cartridges against manufacturer defects. Specialist finish brassware carries a 2 year guarantee.

COMMERCIAL APPLICATIONS

A 12 month guarantee applies to all products fitted in a commercial environment.

CARE AND MAINTENANCE

We have found that most issues stem from poor ventilation in bathrooms. We recommend that you ensure your bathroom is well ventilated using a suitable air extraction fan before our products are fitted. We regret that we cannot guarantee our products if they have been fitted in a poorly ventilated bathroom. Our specialist retail showrooms can provide advice and help you make the right ventilation choices. With proper care and maintenance your bathroom products will last for years to come. The best and safest cleaning method is to use only warm water or pH neutral cleaner with a soft clean cloth. Never use an abrasive cloth. Never use chlorine, caustic, acid or alkaline based cleaners.

OUR ENVIRONMENTAL COMMITMENT

Sustainability is high on our agenda and we strive to make the least environmental impact. From the wood we use, the energy we consume, to our transport logistics, we take care to ensure we operate as responsibly as possible.

The information contained in this brochure is correct at the time of print as of July 2022. However, we reserve the right to alter materials and specifications in line with our continuing programme of product and service development.

HOW TO ACTIVATE YOUR UTOPIA GUARANTEE

Once your bathroom has been installed remember to activate your guarantee on our website. You will need to include the name of the Utopia retail specialist you purchased from.
